Segment revenue and expenses:

Segment revenue and expenses represent relevant amounts that are either directly attributable to individual segment or are attributable to individual segment on a reasonable basis.

Segment assets and liabilities:

- 5 The Company had in earlier financial years, received amounts aggregating Rs 5,790.9 Million from Mr. Kalanithi Maran and M/S KAL Airways Private Limited ("erstwhile promoters") as advance money towards proposed allotment of certain securities (189,091,378 share warrants and 3,750,000 non-convertible cumulative redeemable preference shares, issuable based on approvals obtained), to be adjusted at the time those securities were to be issued. Pursuant to the legal proceedings in this regard before the Hon'ble High Court of Delhi ("Court") between the erstwhile promoters, the present promoter and the Company, the Court, in its order dated July 29, 2016, without expressing anything on the merits of the dispute, ordered the Company to deposit the amount of Rs. 5,790 Million as security with the Court, in 5 equal monthly instalments, and directed the parties to take necessary steps for the purpose of constitution of an Arbitral Tribunal.

During the previous quarter, the Company's appeal against this order was dismissed by Hon'ble Division Bench of the Court ("Division Bench"). However the Division Bench modified the order of Hon'ble Single Judge of the Court by ordering the Company to secure an amount of Rs. 3,290 Million through a bank guarantee in favour of the Registrar General of the Delhi High Court ("Registrar") and to deposit the balance amount of Rs. 2,500 Million with the Registrar. The Company has accordingly secured Rs. 3,290 million through bank guarantee and has also deposited the amount of Rs. 2,500 million with the Registrar, within the permitted timelines.

The parties to the aforementioned litigation have concurrently initiated arbitration proceedings which are ongoing before a 3 member arbitral tribunal. The erstwhile promoters have made various claims against the Company and Mr. Ajay Singh ("current promoter") citing various purported breaches / non-compliances with the terms of the Share Sale & Purchase Agreement ("SSPA") dated January 29, 2015. The Company and the current promoter have disputed all such claims citing various grounds including non-compliances with the terms of the SSPA by the erstwhile promoters themselves. The arbitration is currently in progress, and the final outcome of the matter is currently not ascertainable.

In view of the uncertainties involved as explained above, management believes that the manner, timing and other related aspects of adjustment of these amounts, are currently not determinable. The effects of this matter may attract the consequent provisions (including penal provisions) of applicable provisions of law, including deeming provisions, relating to acceptance of deposits. Based on their assessment and legal advice obtained, management is of the view that any possible consequential effects, including penal consequences and any compounding thereof, will not have a material impact on the financial results of the Company. Accordingly, no adjustments have been made for any such consequential penal effects in this regard.

6 As at September 30, 2017, the Company has total equity of (Rs. 3,326.8 Million), including accumulated losses of Rs. 19,250.1 Million. As of that date, the Company's total liabilities (including Rs. 5,790.9 million referred to in Note 5 above) exceed its total assets by Rs. 3,326.8 Million, as a result of historical market factors and the matter described in Note 5 above. These factors result in a material uncertainty that may cause significant doubt about the Company's ability to continue as a going concern.

As a result of various operational, commercial and financial measures implemented over the last two years, the Company has significantly improved its liquidity position, and generated operating cash flows during that period. The Company has also earned profit after tax of Rs 4,307.2 million for the year ended March 31, 2017 and Rs 2,805.1 million for the half-year ended September 30, 2017. In view of the foregoing, and having regard to industry outlook and also management's current assessment of the outcome of the matters stated in Note 5 above, management is of the view that the Company will be able to maintain profitable operations and raise funds as necessary, in order to meet its liabilities as they fall due. Accordingly, these financial results have been prepared on the basis that the Company will continue as a going concern for the foreseeable future.

7 Having regard to the status of the matters relating to the allotment and conversion of share warrants, as stated in Note 5, it is not possible to determine the dilutive effect, if any, of those on Diluted Earnings Per Share calculations. Accordingly, diluted earnings per share for various periods presented in these financial results do not include the dilutive impact in respect of share warrants stated in Note 5 above.

8 Exceptional items in respect of the year ended March 31, 2017 relate to write-back of provision of Rs 385.5 Million relating to vendor claims currently in arbitration, to the extent management believes such claims are not likely to subsist, having regard to the relevant contractual terms, updates to arbitration proceedings, submissions thereat, and legal advice obtained by the Company.

9 Other non-current assets include, amounts aggregating Rs. 178.46 million representing Integrated Goods and Services Tax ('IGST') paid under protest, on overseas repairs and replacement of various aircraft equipment, which in the opinion of management and legal advice obtained, is not subject to such levy. Accordingly, no further adjustments have been made in this regard as at September 30, 2017.

10 Previous periods' / year's figures have been regrouped / reclassified wherever considered necessary to conform to current periods' presentation. SMPL and STPL were incorporated as wholly owned subsidiaries of the Company on July 18, 2016 and October 5, 2016 respectively. Accordingly the figures for the current period are strictly not comparable with those of the previous periods.
