

SURPLUS RAINS HAVE NOT HIT MANDI ARRIVALS

Paddy procurement grows 13% at 33 mt

To boost FCI's rice stock depleted by the free ration scheme

SANDIP DAS
New Delhi, December 2

TWO MONTHS SINCE the commencement of paddy procurement by the Food Corporation of India (FCI) and state government agencies for the current kharif season (2022-23), the total purchase till Thursday was up by 13% on year at 32.9 million tonne (MT).

Higher grain procurement is expected to boost rice stocks held by FCI that have been depleted by the free ration scheme - Pradhan Mantri Garib Kalyan Anna Yojana - since April, 2020. The scheme is extended for the seventh time till December 31, 2022.

FCI currently has 14 MT of rice, against the buffer of 7.6 MT for January 1.

Officials said that surplus rains, especially by the end of September and the first week of October, prior to harvesting, have not impacted mandi arrivals. Punjab, Haryana, Tamil Nadu, Uttar Pradesh and Telangana

BUMPER PURCHASE

FCI currently has 14 MT of rice, against the buffer of 7.6 MT for January 1

The govt is aiming to procure 90 MT of paddy in the marketing season 2022-23. Rice purchase under MSP operations was 50.9 MT in 2021-22.

have contributed the most to procurement drive. In Punjab, the biggest contributor to the central pool, the agencies including FCI have purchased 18.2 MT of paddy so far, which is 2.7% less than during the same period in the previous year. Procurement activities in Punjab have been largely completed.

Agencies in Haryana have procured 5.8 MT of grains under MSP operations, which was 7% more than a year ago.

Telangana so far has procured 2.4 MT of paddy which is an increase of 50% more than previous year. In Uttar Pradesh, where paddy crop was impacted by unseasonal rains in October, agencies have purchased 1.2 MT of grain which marginally lower than the year ago period.

Other key states which have contributed significantly include Chhattisgarh (2.5 MT), Tamil Nadu (0.8 MT) and Uttarakhand (0.8 MT) so far.

Trade unions to discuss protest plan on Jan 30

SURABHI
New Delhi, December 2

TEN CENTRAL TRADE unions are planning a national conclave on January 30 next year when they will discuss the next course of action, which could include an indefinite strike.

The trade unions, including INTUC, CITU and Hind Mazdoor Sabha, have raised concerns over the Centre's anti-labour policies including the Labour Code, the lack of tripartite meetings such as the Indian Labour Congress and corporatisation and privatisation of state-owned entities.

"All 10 central trade unions will now meet in Delhi on January 30, 2023 on Martyr's Day to discuss further mobilisation of workers and direct action, if needed till 2024," said Harbhajan Singh Sidhu, general secretary, Hind Mazdoor Sabha, adding that all India demonstrations were held on Friday.

Trade unions have raised concerns about various provisions of the Labour Code and say that the government has not adequately responded to any of the issues they have raised. "Most of the provisions of the four Codes are not pro-workers but are aimed at benefiting employers," said Sidhu.

Oil ministry to seek compensation for petrol, diesel losses in past 8 months

PRESS TRUST OF INDIA
New Delhi, December 2

THE OIL MINISTRY will seek compensation from the finance ministry for the losses state-owned fuel retailers incurred on holding petrol and diesel prices in the last eight months despite a spike in cost of raw material, a top official said on Friday.

Indian Oil Corporation (IOC), Bharat Petroleum Corporation Ltd (BPCL) and Hindustan Petroleum Corporation Ltd (HPCL) posted a combined net loss of ₹21,201.18 crore in April-September.

This loss would have been higher but for them accounting for ₹22,000 crore yet-to-received LPG subsidy for past

India will continue to buy oil from Russia: Official

INDIA WILL CONTINUE to buy crude oil from anywhere in the world, including Russia, to meet its energy needs, a top official said ahead of EU restrictions on Russian oil kicking in. The executive body of the EU has asked its 27-member countries to cap the price of Russian oil at \$60 as part of the West's attempt to squeeze Moscow's oil revenues and limit its ability to wage war in Ukraine.

"The first half losses are publicly available. Add to that the LPG subsidy and you would arrive at approximate loss they have incurred," the official said.

Since holding of the prices benefited the economy in terms of not add to the already high inflation rate, there is a

case for the oil marketing companies (OMCs) to be compensated, he said.

"Petrol and diesel prices are deregulated (not controlled or dictated by the government). OMCs are free to fix the rates daily on the basis of benchmark international oil prices. But they on their own volition decided to keep the prices on hold," he said. The oil ministry will calculate the likely losses for the entire fiscal year before approaching the finance ministry. The three fuel retailers are still losing money on sale of auto fuel despite softening international rates.

5 social ministries join PM Gati Shakti

BANIKINKAR PATTANAYAK
New Delhi, December 2

FIVE KEY SOCIAL sector departments—health, women and child development, rural development and panchayat raj, education, and housing and urban affairs—are set to join PM Gati Shakti, the National Master Plan for Multi-modal Connectivity, aimed at cutting India's logistical costs.

Transportation alone accounts for about 50% of the logistics cost in India. The

policy aims to trim the country's logistics cost to about 8% of GDP from the current 13-14% in about five years and propel the country into the league of top 25 nations in logistics performance by 2030 (India was last ranked 44th in the World Bank's logistics performance index 2018).

All logistics and connectivity infrastructure projects, entailing investment of over ₹500 crore, are routed through the Network Planning Group (NPG), constituted under the

PM Gati Shakti.

"The initiative is doing good for infrastructure development projects... We have recently started engaging with the social sector departments also to see how we can utilise (the initiative) to improve functioning in these sectors. We have started expanding our horizon to the social sector also," secretary in the department for Promotion of Industry and Internal Trade (DPIIT) Anurag Jain told reporters here.

Thanks to the Unified Logistics Interface Platform (ULIP), a key

feature of the National Logistics Policy launched by Prime Minister Narendra Modi on September 17, transporters can have access to multiple information that will help ease movement.

Jain said even anganwadi locations can be planned effectively by using the data layers of the Gati Shakti. Over 250 critical infrastructure projects of different ministries have been examined and recommended by the NPG since last October.
