Notes to the Statement of Audited standalone financial results for the quarter and year ended 31 March 2024

1. The standalone financial results for the quarter and year ended 31 March 2024 have been reviewed by the Audit Committee at their meeting held on 15 July 2024 and approved by the Board of Directors of the Company at their meeting held on 15 July 2024. The annual standalone financial results have been subjected to an audit by the Statutory Auditors of the Company. The standalone financial results for the quarter ended 31 March 2024 and 31 March 2023 are the balancing figures between audited figures in respect of the full financial year and the published unaudited year to date figures upto the end of the third quarter of the respective relevant financial year, which were subject to limited review.
2. The Company has presented segment information in the consolidated financial results. Accordingly, in terms of Paragraph 4 of Ind AS 108 'Operating Segments', no disclosures related to segments are presented in standalone financial results.
3. The Company entered into a Business Transfer Agreement ("BTA") with its subsidiary namely SpiceXpress and Logistics Private Limited ("SXPL") on 31 March 2023 for transfer of its cargo business undertaking as a going concern, on slump sale basis, for a total consideration of Rs. 25,557.70 million. Accordingly, SXPL is now carrying cargo business effective 1 April 2023. As per terms of the BTA, the slump sale consideration is being discharged by SXPL by issuance of securities in the combination of equity shares and compulsorily convertible debentures.
4. The Company had, in earlier financial years, received amounts aggregating to Rs. 5,790.90 million from Mr. Kalanithi Maran and KAL Airways Private Limited (together, "Erstwhile Promoters") as advance money towards proposed allotment/subscription of certain securities (189,091,378 share warrants and 3,750,000 non-convertible cumulative redeemable preference shares, issuable based on approvals to be obtained), to be adjusted at the time those securities were to be issued. Pursuant to the legal proceedings in this regard before the Hon'ble High Court of Delhi ("Court") between the Erstwhile Promoters, the present promoter and the Company, the Company was required to secure an amount of Rs. 3,290.89 million through a bank guarantee in favour of the Registrar General of the Court ("Registrar") and to deposit the balance amount of Rs. 2,500 million with the Registrar. The Company has complied with these requirements in September 2017.

The parties to the aforementioned litigation concurrently initiated arbitration proceedings before a three-member arbitral tribunal (the "Tribunal"), which pronounced its award on 20 July 2018 (the "Award"). In terms of the Award, the Company was required to (a) refund an amount of approximately Rs. 3,082.19 million to the counterparty, (b) explore the possibility of allotting non-convertible cumulative redeemable preference shares in respect of Rs. 2,708.70 million, failing which, refund such amount to the counterparty, and (c) pay interest calculated to be Rs. 924.66 million (being interest on the amount stated under (a) above, in terms of the Award). The amounts referred to under (a) and (b) above, aggregating Rs. 5,790.89 million, continue to be carried as current liabilities without prejudice to the rights of the Company under law. Further, the Company was entitled to receive from the counterparty, under the said Award, an amount of Rs. 290.00 million of past interest/servicing charges. Consequent to the Award, and without prejudice to the rights and remedies it may have in the matter, the Company accounted for Rs. 634.66 million as an exceptional item (net) during the year ended 31 March 2019, being the net effect of amount referred to under (c) and counter claim receivable of Rs. 290.00 million, above.

The Company deposited the entire principal of Rs. 5,790.9 million as per the direction of the Court in September 2017 which has also been subsequently paid to the counterparty and there are adjustments to be made for the counter-claim of the Company. The Company has additionally paid in aggregate Rs. 1,500.00 million to the counterparties pursuant to Court orders dated 24 August 2023 and 2 February 2024 while keeping open the rights and contentions in pending litigations. All the payment made to the counterparties has been included under other non-current assets.

The Company, its present promoter and the counterparties challenged various aspects of the Award, including the above-mentioned interest obligations and rights, under Section 34 of the Arbitration and Conciliation Act, 1996 which was dismissed by the Court vide its judgments dated 31 July 2023. Thereafter, the Company and its present promoter preferred an appeal under Section 37 of the Arbitration and Conciliation Act, 1996 before the Division Bench of the Court, *inter-alia*, challenging the payment of entire interest amount and payment of early refund of Rs. 2,708.70 million towards non-convertible cumulative redeemable preference shares. The Division Bench vide its judgment dated 17 May 2024 set aside the judgments dated 31 July 2023 of the Court and ordered to restore the petitions under Section 34 of the Arbitration and Conciliation Act, 1996 filed by the Company and present promoter before the appropriate Court for being considered afresh and bearing in mind the observations rendered by the Division Bench in its judgment dated 17 May 2024. Accordingly, this matter is sub-judice as on date.

In view of the foregoing and pending outcome of the aforesaid challenges at the Court and legal advice obtained, the management is of the view that no material liability is likely to arise from aforesaid matter and accordingly, no further adjustments have been made in this regard, to these standalone financial results. The auditors have included 'Emphasis of Matter' paragraph in their audit report in this regard.

5. The effects of the matter stated in Note 4 above may attract the consequent provisions (including penal provisions) of applicable provisions of law, including deeming provisions, relating to acceptance of deposits. Based on their assessment and legal advice obtained, the management is of the view that any possible consequential effects (including penal consequences and any compounding thereof), of past events and actions in relation to the foregoing, are not likely to have a material impact on the standalone financial results of the Company. Accordingly, no adjustments have been made for any such consequential penal effects in this regard.
6. Certain aircraft/engine lessors have filed application(s) under Section 9 of the Insolvency and Bankruptcy Code, 2016 due to alleged non-payment. The Company has certain disputes in the matter and the amounts claimed are not debts and accordingly the Company is defending such matters. Basis the review of applications filed and the legal interpretation of the law supported by views of legal expert, the management is of the view that there are fair chances of having a favourable outcome for the Company.
7. The Company has earned a net profit (after comprehensive income) of Rs. 1,195.85 million for the quarter ended 31 March 2024 and incurred a net loss (after other comprehensive income) of Rs. 4,042.38 million for the year ended 31 March 2024, and as of that date, the Company has negative retained earnings of Rs. 78,125.79 million and negative net worth of Rs. 25,858.47 million.

Losses over the last few years have been primarily driven by adjustments on account of implementation of Ind AS 116, adverse foreign exchange rates, operational disruption during Covid 19 followed by sub-optimal operations due to liquidity constraints faced by the Company.

On account of its operational and financial position, the Company has deferred payments to various parties, including lessors and other vendors and its dues to statutory authorities as also described in Note 10. Where determinable, the Company has accrued for additional liabilities, if any, on such delays in accordance with contractual terms/applicable laws and regulations and based on necessary estimates and assumptions. Additionally, the Company has also accounted for liabilities arising out of various litigation settlements. However, it is not practically possible to determine the amount of all such costs or any penalties or other similar consequences resulting from contractual or regulatory non-compliances. The management is confident that they will be able to negotiate further settlements in order to minimize/avoid any or further penalties. Further, the Company continues to defend itself in certain litigations at various Appellate/Judicial levels including matters summarised in Note 4 and 6.

The aforesaid conditions indicate the existence of uncertainty that may create doubt about the Company's ability to continue as a going concern.

The Company continues to implement various measures such as return to service of its grounded fleet, enhancing customer experience, improving selling and distribution, revenue management, fleet rationalization, optimizing aircraft utilization, redeployment of capacity in key focus markets, management and employee compensation revision, renegotiation of contracts and other costs control measures, to help the Company establish consistent profitable operations and cash flows in the future. These initiatives are heavily dependent upon Company's ability to raise funds. During the year ended 31 March 2023, the Company had received funds aggregating to Rs. 4,498.17 million under Emergency Credit Line Guarantee Scheme ('ECLGS') scheme. The Company has further received Rs. 5,412.96 million under ECLGS scheme during the year ended 31 March 2024. During the year, Company has also issued fresh equity shares and equity warrants to the promoter group for value aggregating to Rs. 4,940.92 million and also issued equity shares to one of the large lessor against some of its outstanding dues. The Company has further issued fresh equity shares and equity warrants on preferential basis to various investors under non-promoter category aggregating to issue size of Rs. 10,600.00 million. The Company is also in ongoing discussions with certain potential investors for raising additional funds and is also expecting relief from certain lessors for settlement of their outstanding dues. Based on the foregoing and its effect on business plans and cash flow projections, the management is of the view that the Company will be able to raise funds as necessary and achieve profitable operations, in order to meet its liabilities as they fall due.

Accordingly, these standalone financial results have been prepared on the basis that the Company will continue as a going concern for the foreseeable future. The auditors have included 'Material Uncertainty Related to Going Concern' paragraph in their audit report in this regard.

8. Foreign exchange loss of Rs. 41.35 million for the quarter ended 31 March 2024 and Rs. 393.96 million for the year ended 31 March 2024 (foreign exchange loss of Rs. 28.95 million for the quarter ended 31 December 2023, foreign exchange gain of Rs. 279.68 million for the quarter ended 31 March 2023 and foreign exchange loss of Rs. 3,962.71 million for the year ended 31 March 2023) arising from restatement of lease liabilities.
9. During the quarter and year ended 31 March 2024, no additional stock options were granted to employees and 197,200 stock options were exercised by eligible employees under employee stock option scheme of the Company.
10. (a) There are delays in depositing Tax Deducted at Source ('TDS') and filing of TDS returns on time as per Income-tax Act, 1961, deposit of provident fund as per Employees' Provident Funds and Miscellaneous Provisions Act, 1952 and deposit of goods and services tax and filing of returns as applicable under Goods and Services Tax Act, 2017 ('GST Act'). To the extent ascertained, the Company has made accrual for interest on delays in payment of above-mentioned statutory dues. There are foreign currency trade receivables and trade and other payables that are overdue beyond the timelines, however, the Company is yet to seek extension from AD Bank or Reserve Bank of India ('RBI'), as the case may be, for settlement of such balances under foreign exchange management guidelines.

(b) Consequent upon slump sale of cargo business undertaking of the Company to its subsidiary (SpiceXpress and Logistics Private Limited) effective 1 April 2023, SpiceXpress and Logistics Private Limited has become unlisted material subsidiary and the Company is yet to appoint one independent director of the Company on the board of said unlisted material subsidiary.

The Company is in process of regularising aforesaid non-compliances under applicable laws and regulations, however, pending such regularization, the impact of some of the above matters, including due to fine/penalties that may be levied is presently unascertainable and accordingly, no adjustments have been made in these standalone financial results in this respect.

11. Other non-current assets as at 31 March 2024 include Rs. 619.59 million (Rs. 604.40 million as on 31 December 2023) represents amount paid under protest towards Integrated Goods and Services Tax ('IGST') and Basic Customs duty, on re-import of various aircraft engine/equipment repaired outside India, which is in the opinion of the Management and based on expert advice obtained, is not subject to such levy. Accordingly, these amounts have been considered as recoverable. Further, in January 2021, the Company has received favourable order in reference to one of the matters for which tax is paid under protest, from the Customs Excise and Service Tax Appellate Tribunal ('CESTAT'), New Delhi in respect of this matter. The customs authorities have filed an appeal before the Hon'ble Supreme Court of India ('the Supreme Court') against the CESTAT order. The matter is yet to be decided by the Supreme Court and no stay on CESTAT order has been granted by the Supreme Court till date. Further, the customs authorities vide customs amendment notification dated 19 July 2021 has amended earlier customs exemption notification to reiterate their position that IGST is applicable on re-import of goods after repair. However, the Company based on the legal advice from counsels, continues to believe that no IGST is payable on such re-import of repaired aircraft, aircraft engines and other certain aircraft parts. Accordingly, the above amounts paid under protest till 31 March 2024 have been shown as recoverable.
12. During the year, the Company has entered into settlement agreement with Export Development Canada ('EDC') wherein the External Commercial Borrowing ('ECB') amounting to Rs. 7,554.55 million (inclusive of interest) appearing in the books of accounts has been settled at Rs. 1,872.68 million. The management of the Company has recognized the resulting gain of Rs. 5,681.87 million as 'other income'.
13. During the year ended 31 March 2024, the Company has made following allotment on preferential basis in terms of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018:
 - (a) Allotment of 34,172,000 equity shares of the face value of Rs. 10 each and 131,408,514 warrants, having option to apply for and be allotted equivalent number of equity shares of the face value of Rs. 10 each at an issue price of Rs. 29.84 each on preferential basis to promoter group on 4 September 2023;
 - (b) Allotment of 48,123,186 equity shares of the face value of Rs.10 each at an issue price of Rs. 48.00 each on preferential basis to aircraft lessors on 4 September 2023 consequent upon conversion of their existing outstanding dues aggregating to Rs. 2,309,912,928; and
 - (c) Allotment of 95,600,000 equity shares of the face value of Rs. 10 each and 116,400,000 warrants, having option to apply for and be allotted equivalent number of equity shares of the face value of Rs. 10 each at an issue price of Rs. 50.00 each on preferential basis to non-promoter category in January-February 2024.

14. There have been certain delays in appointment of a woman independent director on the Board of Directors of the Company, holding of minimum number of committee meetings in the financial year ended 31 March 2024 under Companies Act, 2013 and issuing financial results under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 during the year for the quarters ended 30 September 2023, 31 December 2023 and 31 March 2024. These have been either condoned upon payment of necessary fee or exemption/waiver provided by relevant regulatory authority. The Company further identified candidate for appointment as independent woman director subject to necessary security clearance and approvals. The impact of the above matters does not have any material impact in these standalone financial results in this respect.
15. Previous periods'/year's figures have been regrouped/reclassified wherever considered necessary to conform to current periods'/year's presentation.

3. The Company entered into a Business Transfer Agreement (“BTA”) with its subsidiary namely SpiceXpress and Logistics Private Limited (“SXPL”) on 31 March 2023 for transfer of its cargo business undertaking as a going concern, on slump sale basis, for a total consideration of Rs. 25,557.70 million. Accordingly, SXPL is now carrying cargo business effective 1 April 2023. As per terms of the BTA, the slump sale consideration is being discharged by SXPL by issuance of securities in the combination of equity shares and compulsorily convertible debentures.
4. The Company had, in earlier financial years, received amounts aggregating to Rs. 5,790.90 million from Mr. Kalanithi Maran and KAL Airways Private Limited (together, “Erstwhile Promoters”) as advance money towards proposed allotment/subsorption of certain securities (189,091,378 share warrants and 3,750,000 non-convertible cumulative redeemable preference shares, issuable based on approvals to be obtained), to be adjusted at the time those securities were to be issued. Pursuant to the legal proceedings in this regard before the Hon’ble High Court of Delhi (“Court”) between the Erstwhile Promoters, the present promoter and the Company, the Company was required to secure an amount of Rs. 3,290.89 million through a bank guarantee in favour of the Registrar General of the Court (“Registrar”) and to deposit the balance amount of Rs. 2,500 million with the Registrar. The Company has complied with these requirements in September 2017.

The parties to the aforementioned litigation concurrently initiated arbitration proceedings before a three-member arbitral tribunal (the “Tribunal”), which pronounced its award on 20 July 2018 (the “Award”). In terms of the Award, the Company was required to (a) refund an amount of approximately Rs. 3,082.19 million to the counterparty, (b) explore the possibility of allotting non-convertible cumulative redeemable preference shares in respect of Rs. 2,708.70 million, failing which, refund such amount to the counterparty, and (c) pay interest calculated to be Rs. 924.66 million (being interest on the amount stated under (a) above, in terms of the Award). The amounts referred to under (a) and (b) above, aggregating Rs. 5,790.89 million, continue to be carried as current liabilities without prejudice to the rights of the Company under law. Further, the Company was entitled to receive from the counterparty, under the said Award, an amount of Rs. 290.00 million of past interest/servicing charges. Consequent to the Award, and without prejudice to the rights and remedies it may have in the matter, the Company accounted for Rs. 634.66 million as an exceptional item (net) during the year ended 31 March 2019, being the net effect of amount referred to under (c) and counter claim receivable of Rs. 290.00 million, above.

All the payment made to the counterparties has been included under other non-current assets.

The Company, its present promoter and the counterparties challenged various aspects of the Award, including the above-mentioned interest obligations and rights, under Section 34 of the Arbitration and Conciliation Act, 1996 which was dismissed by the Court vide its judgments dated 31 July 2023. Thereafter, the Company and its present promoter preferred an appeal under Section 37 of the Arbitration and Conciliation Act, 1996 before the Division Bench of the Court, inter-alia, challenging the payment of entire interest amount and payment of early refund of Rs. 2,708.70 million towards non-convertible cumulative redeemable preference shares. The Division Bench vide its judgment dated 17 May 2024 set aside the judgments dated 31 July 2023 of the Court and ordered to restore the petitions under Section 34 of the Arbitration and Conciliation Act, 1996 filed by the Company and present promoter before the appropriate Court for being considered afresh and bearing in mind the observations rendered by the Division Bench in its judgment dated 17 May 2024. Accordingly, this matter is sub-judice as on date.

Losses over the last few years have been primarily driven by adjustments on account of implementation of Ind AS 116, adverse foreign exchange rates, operational disruption during Covid 19 followed by sub-optimal operations due to liquidity constraints faced by the Group.

On account of its operational and financial position, the Group has deferred payments to various parties, including lessors and other vendors and its dues to statutory authorities as also described in Note 10. Where determinable, the Group has accrued for additional liabilities, if any, on such delays in accordance with contractual terms/applicable laws and regulations and based on necessary estimates and assumptions. Additionally, the Group has also accounted for liabilities arising out of various litigation settlements. However, it is not practically possible to determine the amount of all such costs or any penalties or other similar consequences resulting from contractual or regulatory non-compliances. The management is confident that they will be able to negotiate further settlements in order to minimize/avoid any or further penalties. Further, the Group continues to defend itself in certain litigations at various Appellate/Judicial levels including matters summarised in Note 4 and 6.

The Group continues to implement various measures such as return to service of its grounded fleet, enhancing customer experience, improving selling and distribution, revenue management, fleet rationalization, optimizing aircraft utilization, redeployment of capacity in key focus markets, management and employee compensation revision, renegotiation of contracts and other costs control measures, to help the Group establish consistent profitable operations and cash flows in the future. These initiatives are heavily dependent upon Group's ability to raise funds. During the year ended 31 March 2024, the Group had received funds aggregating to Rs. 4,498.17 million under Emergency Credit Line Guarantee Scheme ('ECLGS') scheme. Based on the foregoing and its effect on business plans and cash flow projections, the management is of the view that the Group will be able to raise funds as necessary and achieve profitable operations, in order to meet its liabilities as they fall due.

Accordingly, these consolidated financial results have been prepared on the basis that the Group will continue as a going concern for the foreseeable future. The auditors have included 'Material Uncertainty Related to Going Concern' paragraph in their audit report in this regard.
